

## Academic Performance: 2020-2021

### Summary of Academic Performance Evaluation Findings:

**Faculty Feedback:** Faculty feedback indicated areas where additional support and resources were needed to enhance teaching effectiveness and student engagement.

**Assessment Methods:** Concerns were raised regarding the variety and effectiveness of assessment methods used, with suggestions for more innovative and inclusive approaches.

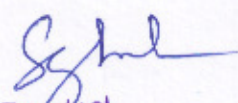

### Actions Taken:

**Faculty Development Programs:** Conducted faculty development workshops and seminars on innovative teaching methodologies, student-centered learning approaches, and assessment best practices to enhance teaching effectiveness and student engagement.

**Assessment Review:** review was done by faculty members and academic administrators to review and revise assessment methods, ensuring alignment with learning objectives and promoting fairness and transparency.

### Conclusion:

We are committed to addressing the identified challenges and enhancing the academic performance of our institution. The actions taken and planned will contribute to creating a supportive learning environment that fosters student success and excellence in education.

**Summary of Academic Performance Evaluation Findings:**

**Student Engagement Programs:**

- Feedback suggested the need for more opportunities for academic and extracurricular engagement to foster a sense of community and personal growth.

**Tutoring and Remedial Support:**

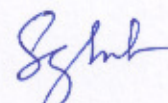

- Feedback suggested the need for additional academic support services, particularly in subjects where they were struggling.

**Action Taken:**

- Introduced a variety of student engagement programs, including academic clubs, research symposiums, and industry mentorship programs to promote student involvement and holistic development.
- Established tutoring centers and peer tutoring programs to provide personalized academic assistance and support to students, including remedial workshops and study groups.

**Conclusion**

We are steadfast in our commitment to addressing the identified challenges and elevating the academic performance of our institution. The proactive actions taken and those planned reflect our dedication to fostering a supportive learning environment conducive to student success and academic excellence. By continually refining our approaches and embracing innovative solutions, we aim to empower our students to thrive and excel in their educational pursuits.

## Academic Performance: 2022-2023

### **Summary of Academic Performance Evaluation Findings:**

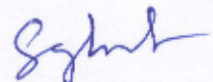

- Students and other stakeholders expressed a need for increased support and resources for research activities and internship opportunities.
- Concerns were raised about the relevance and rigor of the curriculum, with stakeholders emphasizing the need for alignment with industry standards and emerging trends.

### **Action taken:**

Launched a platform by signing an MO with a company for students where they can apply for internships, projects and upgrade their skills that are relevant to industry

### **Conclusion:**

Through the implementation of these actions, we are committed to improving the academic performance of our institution and ensuring the success of our students. We remain dedicated to fostering a supportive learning environment that promotes excellence in teaching and learning.

## Institutional Ambience: 2020-2021

### Action Taken report on Institutional Ambience

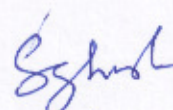

- **Cleaning of corridors:** feedback was provided that the corridors sometimes after events were a little untidy
- **Poor lighting:** Several individuals expressed dissatisfaction with the lighting levels in certain areas, citing discomfort and decreased productivity.
- **Absence of greenery:** Feedback indicated a desire for more greenery and natural elements to improve the ambience.

### Actions Taken:

- **Enhanced Cleaning Protocols:** Implemented a revised cleaning schedule with increased frequency and thoroughness in all common areas. Assigned dedicated staff to ensure ongoing maintenance and cleanliness.
- **Lighting Upgrades:** Conducted a comprehensive assessment of lighting throughout the institution and installed LED fixtures in areas where lighting was inadequate. Adjusted lighting levels to create a more comfortable and productive environment.
- **Introduction of Green Spaces:** Implemented a plan to incorporate indoor plants and greenery into various areas of the institution. Established a maintenance schedule to ensure the health and vibrancy of plants.

### Conclusion:

We are confident that these actions will significantly enhance the institutional ambience and create a more positive experience for all stakeholders. We remain committed to ongoing improvement and welcome continued feedback to ensure that our facilities meet the needs and expectations of our community.

**Action Taken report on Institutional Ambience**

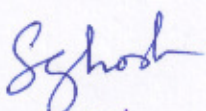

- Stakeholders identified difficulties in navigating the campus due to insufficient signage and wayfinding markers.
- Feedback: Students and faculty reported issues with Wi-Fi connectivity and network reliability, impacting their ability to access online resources and participate in virtual learning activities.

**Actions Taken**

- Installed clear and visible signage at key locations throughout the campus, including building entrances, parking areas, and pedestrian walkways. Implemented digital maps and interactive wayfinding systems to assist visitors in locating buildings and amenities.
- Upgraded Wi-Fi infrastructure and expanded network coverage to ensure reliable connectivity across campus. Implemented network monitoring systems to identify and address connectivity issues promptly.

**Conclusion:**

Through the implementation of these additional actions, we have further enhanced the institutional ambience of our organization, creating a vibrant, welcoming, and sustainable campus environment. We remain committed to ongoing improvements and innovations that contribute to the overall well-being and satisfaction of our campus community.

## Institutional Ambience: 2022-2023

### Action Taken report on Institutional Ambience

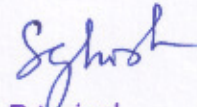

- Feedback: Some stakeholders expressed concerns about the institution's environmental impact and called for greater emphasis on sustainability practices.
- Stakeholders suggested increasing the variety and frequency of campus events and activities to enhance community engagement and foster a sense of belonging.

### Actions Taken

- Implemented sustainability initiatives, such as energy-efficient lighting upgrades, water conservation measures, and waste reduction programs. Established green committees to promote sustainability awareness and coordinate campus-wide initiatives
- Expanded the range of campus events and activities, including cultural festivals, academic lectures, recreational sports tournaments, and networking opportunities. Collaborated with student organizations and community partners to organize events that cater to diverse interests and backgrounds.

### Conclusion:

- Through the implementation of these additional actions, we have further enriched the institutional ambience of our organization, creating a safer, more welcoming, and engaging environment for all members of our community. We remain committed to ongoing efforts to address feedback and continuously improve the overall experience for our stakeholders.
