# FEEDBACK ANALYSIS AND ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2022 – 23

# Alumni feedback analysis: 2022-2023

## Academic Performance Feedback

### Introduction

The IQAC team of the institution has collected feedback from the alumni as part of quality monitoring andquality assurance practices implemented in the institution. Feedback is usually collected during the Alumni meet held every year. The feedback link is also available in the website and alumni are encouraged to fill in the feedback form.

The data so collected by using an online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Actiontaken report is also prepared for follow up actions.

The following is the analysis of number of responses per question.

Introduction: The institution conducted a comprehensive self-assessment as part of the NAAC accreditation process. The focus of Criterion 1 was on Curricular Aspects, and the evaluation provided valuable insights for improvement.

**Curriculum Review:**
A thorough review of existing curricula was conducted, taking into consideration the recommendations from NAAC. Identified areas of improvement in alignment with industry trends and academic advancements.

**Stakeholder Involvement:**
Engaged with faculty, students, and industry experts to gather diverse perspectives on the curriculum. Conducted workshops and feedback sessions to incorporate valuable inputs.

**Interdisciplinary Approach:**
Introduced interdisciplinary components in various courses to enhance the holistic development of students.
Established a committee to oversee the implementation of interdisciplinary elements.
**Skill Enhancement Programs:**
Developed skill enhancement programs to address gaps identified in the curricular aspects.
Collaborated with industry partners for real-world skill integration.
**Technology Integration:**
Implemented technology-driven teaching-learning methodologies to keep the curriculum relevant and up-to-date. Provided faculty training on utilizing modern educational technologies.

**Monitoring and Evaluation:**
Established a continuous monitoring system to track the effectiveness of the implemented changes.
Conducted periodic reviews and sought feedback from stakeholders to ensure ongoing improvement.

Summary of Academic Performance Evaluation Findings:

**A. Faculty Feedback**: Faculty Feedback indicated areas where the additional support and resources were needed to enhance teaching effectiveness and student engagement.

**Action Taken:**
1. Based on an overall review of the feedbacks received from various stakeholders, few faculties were identified and were made to attend Faculty Development Programs (FDPs) for skill up gradation.

B.**Assessment Methods:** Concerns were raised regarding the variety and effectiveness of assessment methods, with suggestions for more innovative and inclusive approaches.

**Remedial Measures adopted by our institute:**

i) Implementing a blend of traditional and modern assessment techniques, such as project-based assessments, peer evaluations, and portfolios, can cater to diverse learning styles and abilities.

ii) Incorporating technology-enhanced assessments, like interactive quizzes and simulations, not only engages students but also provides real-time feedback for continuous improvement.

**C. Library:** Concerns were raised regarding availability of newly introduced titles with suggestions for immediate books purchase.

**Action Taken:** Based on an overall review of the feedbacks received from all concerned and to keep abreast with changing syllabi and technologies, library purchases have been done. Few sample bills have been attached herewith.

# Curriculum feedback analysis of Students: 2021-2022

## Institution Ambience Feedback

### Introduction

The IQAC team of the institution has collected feedback on curriculum from students as part of quality monitoring and quality assurance practices implemented in the institution. Feedback is usually collected during the academic session. The feedback link is also available in the website and all students are encouraged to fill in the feedback form.

The data so collected by using an online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management. Action taken report is also prepared department wise for follow up actions.

The analysis report is forwarded to the management which is in turn forwarded to relevant stakeholders. The

**Action Taken Report for NAAC Criterion 1: Curricular Aspects 2021-2022**

**Introduction:** The institution conducted a comprehensive self-assessment as part of the NAAC accreditation process. The focus of Criterion 1 was on Curricular Aspects, and the evaluation provided valuable insights for improvement.

**Curriculum Review:**
A thorough review of existing curricula was conducted, taking into consideration the recommendations from NAAC. Identified areas of improvement in alignment with industry trends and academic advancements.

**Stakeholder Involvement:**
Engaged with faculty, students, and industry experts to gather diverse perspectives on the curriculum. Conducted workshops and feedback sessions to incorporate valuable inputs.

**Interdisciplinary Approach:**
Introduced interdisciplinary components in various courses to enhance the holistic development of students.
Established a committee to oversee the implementation of interdisciplinary elements.
**Skill Enhancement Programs:**
Developed skill enhancement programs to address gaps identified in the curricular aspects.
Collaborated with industry partners for real-world skill integration.
**Technology Integration:**
Implemented technology-driven teaching-learning methodologies to keep the curriculum relevant and up-to-date. Provided faculty training on utilizing modern educational technologies.

**Monitoring and Evaluation:**
Established a continuous monitoring system to track the effectiveness of the implemented changes.
Conducted periodic reviews and sought feedback from stakeholders to ensure ongoing improvement.

**Summary of Academic Performance Evaluation Findings:**

**Action Taken:**
1. **Student Engagement Programs:**

Feedback suggested the need for more opportunities for academic and extracurricular engagement to foster a sense of community and personal growth. As remedial measures, variety of student engagement programs, including academic clubs, research symposiums, and industry mentorship programs to promote student involvement and holistic development were introduced. Some sample pictures are given below for ready references.

2. **Tutoring and Remedial Support:**

Feedback suggested the need for additional academic support particularly in subjects where they were struggling. With the help of institute's unique mentoring support system, needs of different students were categorized and they were eventually groupified. Accordingly, different faculty members were identified and bestowed with the responsibility of catering to the needs of each individual group. Established tutoring programs to provide personalized academic assistance and support to students, including remedial workshops and study groups.

3. **Faculty Feedback**: Faculty Feedback indicated areas where the additional support and resources were needed to enhance teaching effectiveness and student engagement. Also, many faculties had a keen urge to upgrade their skills and technical knowledge. Consequently, many faculties participated in and successfully completed Faculty Development Programs (FDPs).

## Action Taken Report for NAAC Criterion 1: Curricular Aspects 2020-2021

Introduction: The institution conducted a comprehensive self-assessment as part of the NAAC accreditation process. The focus of Criterion 1 was on Curricular Aspects, and the evaluation provided valuable insights for improvement.

**Curriculum Review:**
A thorough review of existing curricula was conducted, taking into consideration the recommendations from NAAC. Identified areas of improvement in alignment with industry trends and academic advancements.

**Stakeholder Involvement:**
Engaged with faculty, students, and industry experts to gather diverse perspectives on the curriculum. Conducted workshops and feedback sessions to incorporate valuable inputs.

**Interdisciplinary Approach:**
Introduced interdisciplinary components in various courses to enhance the holistic development of students.
Established a committee to oversee the implementation of interdisciplinary elements.
**Skill Enhancement Programs:**
Developed skill enhancement programs to address gaps identified in the curricular aspects.
Collaborated with industry partners for real-world skill integration.
**Technology Integration:**
Implemented technology-driven teaching-learning methodologies to keep the curriculum relevant and up-to-date. Provided faculty training on utilizing modern educational technologies.

**Monitoring and Evaluation:**
Established a continuous monitoring system to track the effectiveness of the implemented changes.
Conducted periodic reviews and sought feedback from stakeholders to ensure ongoing improvement.

**Summary of Academic Performance Evaluation Findings:**

**1. Pedagogy:**
Faculty feedback indicated areas where additional support and resources were needed to enhance teaching effectiveness and student engagement.

**Actions Taken:**
Pedagogy Programs were conducted on innovative teaching methodologies, student-centred learning approaches, and assessment best practices to enhance teaching effectiveness and student engagement.
