## DECLARATION FOR 5.1.1 (COPIES OF THE e-TRANSFER OF SCHOLARSHIPS) AS REQUIRED FOR DVV CLARIFICATION

This is to certify that for **SVIST Institute Merit Cum Means Scholarship**, instead of institute paying the scholarship directly to the students, the scholarship amount is deducted from the actual fees of the students. Thus the student is eligible to pay the amount after deduction of the scholarship amount from the original semester fees of that particular year and semester. The student's scholarship is reflected in his/her fees payment amount which can be substantiated from the government approved fees structure of that particular academic year and fees payment statement, few examples are being attached for each academic year along with the government approved fee structure.
