WORKFORCE  
DEVELOPMENT  
PROGRAM

**SVIST** is proud to partner with **Oracle University**. This unique partnership provides opportunity for our students seeking to avail IT training at a **low cost**.

Partnership with Oracle WDP will enable us to deliver Oracle, Java training in full-time and part-time programs for students leading to e-certification from Oracle University. These international courses under the Oracle Workforce Development Program (WDP) will prepare students for the **Oracle Certified Professional Java Programmer** examinations, highly acclaimed by all potential employers.
